2 HttpCtrlDemo Release History

This section lists all software releases for HttpCtrlDemo.

2.1 Version 1.0.0

Exact software version: 1.0.0.0
Release date: 01.06.2012

This is the initial release for the Windows software HttpCtrlDemo.

It provides the following features:

- Send trigger signals over network to VideoPoster-III to switch between different playlists or to switch off the display
- Retrieve the current status of the VideoPoster-III media player
- Display the HTTP response which VideoPoster-III replies on the requests mentioned above

2.2 Version 1.2.0

Exact software version: 1.2.0.0
Release date: 19.07.2012

New features:

- Added support for content uploads (playlist.ddx, still image and video files) to the media players DigiPoster-III and VideoPoster-III

Changes:

- The GUI of the application has been reworked and extended to integrate the new functionality better

Required media player firmware versions:

- DigiPoster-4.3 version 1.8.0 or above (will be available in September 2012)
- DigiPoster-III version 1.10.0 or above
- VideoPoster-III version 1.6.0 or above

2.3 Version 1.4.0

Exact software version: 1.4.0.0
Release date: 24.06.2013

New features:

- Added support for the new status request "getMonitoringReport"
- Added a button to the GUI to clear the HTTP response log window

Fixes:

- Using the correct module names "control" and "status" in the XML requests now
- Increased the timeout value for content uploads from 15 to 60 minutes. This allows to upload video files up to a size of 2 GB to VideoPoster-III
- Disabled the "write stream buffering" setting in the HTTP request for content uploads. This is necessary to upload large video files to VideoPoster-III even if the PC does not have enough RAM to allocate system memory for the whole file at once

Required media player firmware versions:

- DigiPoster-4.3 version 1.8.0 or above (method "getMonitoringReport" not supported yet)
- DigiPoster-III version 1.10.0 or above (method "getMonitoringReport" not supported yet)
- VideoPoster-III version 1.8.0 or above

3 Known Issues of latest HttpCtrlDemo Version

This section lists all known issues of the latest HttpCtrlDemo software version.

3.1 There are currently no known issues
